***13.2's:** Another reminder that you must protect yourself against a 13.2 complaint. Local 94 continuously maintains a zero tolerance policy whenever racial, ethnic, gender, discrimination or any other human rights issues are raised on the job. Work towards de-escalating and diffusing an issue that arises. Do not allow your emotions to take over and avoid confrontations. Basically, treat everyone as you would like to be treated.*

***"Just on time":** Thanks to those of you that attempt to arrive to the job on time. To those that think a half-hour late is on time, try leaving home a half-hour earlier please!! Nuff said.*

***401-k:** The Employers contribution to our individual 401-k accounts was deposited on Friday, July 23, 2010. If you don't see it, give us a call.*
