The Committee agreed to the following procedure:

1. The Employer posting for a steady foremen position will describe the criteria for the steady foremen job in the posting.
2. Each applicant for the posting is required to hand-deliver two copies of the completed application to the person designated in the posting. The person designated in the posting to receive the application will keep and initial and date one copy, and will initial and date the second copy and return it to the applicant.

5. The posting Employer will notify each applicant interviewed whether or not they were selected for the job, and will inform applicants who applied for a posted job after the Employer filled the job or decided not to fill the job that they would not be interviewed for that reason.
6. The posting Employer will inform Local 94 promptly upon hiring or deciding not to hire for a posted steady position, so Local 94 can take down the posting and inform members that the position is no longer open.
